Equalities Policy

At Crocodile Club we will ensure that we provide a safe and caring environment, free from discrimination, for everyone in our community including children with additional needs.

To achieve the Club's objective of creating an environment free from discrimination and welcoming to all, the Club will:

- Respect the different racial origins, religions, cultures and languages in a multi-ethnic society so that each child is valued as an individual without racial or gender stereotyping.
- Not discriminate against children on the grounds of disability, sexual orientation, class, family status or HIV/Aids status.
- Help all children to celebrate and express their cultural and religious identity by providing a wide range of appropriate resources and activities.
- Strive to ensure that children feel good about themselves and others, by celebrating the differences which make us all unique individuals.
- Ensure that its services are available to all parents/carers and children in the local community.
- Ensure that the Club's recruitment policies and procedures are open, fair and non-discriminatory.
- Work to fulfil all the legal requirements of the Equality Act 2010.
- We will monitor and review the effectiveness of our inclusive practice by conducting an Inclusion Audit on an annual basis.

Challenging inappropriate attitudes and practices

We will challenge inappropriate attitudes and practices by engaging children and adults in discussion, by displaying positive images of race and disability, and through our staff modelling anti-discriminatory behaviour at all times.

Harassment

The Club will not tolerate any form of racial or discriminatory harassment on any basis. The Club will challenge racist and discriminatory remarks, attitudes and behaviour from the children at the Club, from staff and from any other adults on Club premises (eg parents/carers collecting children).

Promoting equal opportunities

The Club's Equal Opportunities Named Coordinator (ENCO) is Sarah Begley. The ENCO is responsible for ensuring that:

- Staff receive relevant and appropriate training
- The **Equalities policy** is consistent with current legislation and guidance
- Appropriate action is taken wherever discriminatory behaviour, language or attitudes occur.

Children with additional needs

Our Club recognises that some children have additional needs or physical disabilities that require particular support and assistance. We will assess the individual needs of each child in

consultation with their parents **prior** to their attending the Club, and will make **reasonable adjustments** to ensure that children can access our services and are made to feel welcome.

Special Educational Needs

Staff will:

- Manage the provision for children with special educational needs or physical disabilities.
- Be trained and experienced in the care and assessment of such children.

All members of staff will work with parents to provide suitable care for children with additional needs or physical disabilities within the parameters of the club set up.

- **Reasonable adjustments.** Our interpretation of “reasonable adjustments” is giving any child extra time, helping them to make decisions, listening and caring for their needs. It is unfortunately, not employing an extra member of staff as the cost would be detrimental to the future of the Club.
