Book Poem - by Eliza S - Oak Class

Book Poem

Books can be big and books can be small
Books can be short and books can be tall
Books can be filled or have no words at all
But a book is a book, and books fill my walls
Books can be funny and books can be scary
Books can have beasts that are big, brown and hairy
Books can have heroes that conquer the bad
And books can have villains that are terribly mad
A book is an exit from all that is known
And a book is a pathway to a world of your own
So pick up your book, and read, read, read, read

As it is an access to the world that you need
A book can contain a twist or a team
Good-guys and bad-guys and multiple dreams
So next time you read, right from the start
Really read to the full of your mind and your heart.
